we:

Trio **TRAMINER MITTERWEG 2016**

degustation:

Unfiltered, with fine yeast. Color yellow green, sweet aromatic smell of roses, Litschi and citrus, elegantly and with air ever more powerfully, lots of diversity in aromas. Resounding at the palate a calm gentle body with much strength, aroma long on the tongue, well balanced because of 3 different Traminer varieties (Yellow, Red and Gewürztraminer).

analysis:

alk 13,5 % acid 5 g/l sugar 1,5 g/l

Weinbergslage:

Singlevineyard "Mitterweg" in Fels am Wagram, an early exposition in the lovely "Cellar Road", looks like little Canyons.

soil:

20 m deep sandy clay ("Löß"), classic terroir of Fels am Wagram, in the middle of 7 mysterious canyons through the hill ("Kellergassen"), deep trenches with 200 old cellars, which gives rare birds and flowers space to live

vineyard:

More than 25 years old vines with deep roots, high slim leafwall. Different old clones of RoterVeltliner. Certified Biodynamic production (Demeter). ROTER VELTLINER is a century-old old traditional grape of our region "Wagram", it is father of many other regional grapevarieties. It needs not very much water, loves poor soils and sunny places and also in very hot dry vintages it does not lose its elegance and spiciness.

yield:

20hl / ha, Picked by hand begin of october into 300kg boxes

cellar:

Whole grapes filled into the press, over night contact to skins, pneumatic pressing, Bentonit (clay), sedimentation, fermentation in with own native yeast in barrels, 2 times racking at descending moon instead of filtering, botteling.

development:

primary aroma already after botteling, aromas of roses will grow every year, bottle storage is from advantage, min. 10 years expandability and more

optimum:

For goose leaver, calf leaver, mushrooms, seafood like mussels or very special: with asian dishes
